We are thrilled that you have decided to partner with us in providing your students an exceptional camp experience. We believe that the best counselors are the workers that know your students and work with them all year. We have discounted the counselor cost of camp to help make it as easy as possible for you to bring counselors. If you have a counselor and cannot get the fee please talk to us, we always need good counselors and we may be able to find scholarship funds to cover their cost.

You will need to provide us with a list of your campers and counselors at least a week before camp. We can provide you with an excel sheet or a sheet to fill in for registration. Note that all campers must have a completed health form to attend camp. Housing is on a first come fist serve basis, therefore the sooner you can provide the detail camper information the better the housing options will be.

Our registration office will work with you to assure a hassle free registration process. Feel free to contact us with questions and suggestions wcc@vertical-life.org.
